[www.lorikatzgroup.com](http://www.lorikatzgroup.com)

Alice has been designing lighting for bay area projects for over 20 years. Her practice includes a mix of civic, educational and residential projects. Lori is a leading electrical contractor with 15 years of experience in high end residential and commercial projects. Alice and Lori will discuss many of the options available today for creating more energy efficient homes with an emphasis on quality of light and ease of use.

Sponsored in part by Associated Lighting Representatives and Lutron
